✓ **Parents' Meetings:**

As part of our process of open communication, our Parents' Meetings have been scheduled soon after the distribution of the reports. A reminder that the meeting will take place on MONDAY 19 April at 14h30 – 17h00 in the Bylos Music Centre. We encourage our Grade Elevens to attend these meetings with the parents so that information necessary for academic well-being may be discussed in each subject. It also offers our pupils an opportunity to discuss any support that they require as they begin to think about Subject Choices for Grade Eleven.

✓ **Task Schedule:**

We have redesigned the Task Schedule to ensure that there is greater clarity in the diverse tasks set per subject. We would welcome feedback on areas that you feel have made the task schedule easier to follow. Please be aware of our policy that should a test be scheduled for a day and your son/daughter is absent a doctor's note (with reasonable explanation) must be forwarded to the Grade Controller so that arrangements may be made for the test to be written. Failure to do so, will unfortunately result in a zero.

✓ **Leave of Absence:**

Leave of Absence during school terms will only be granted under the conditions as outlined in our policy: Special Leave of Absence. The policy is available on our website. Extended vacations do not qualify for Special Leave of Absence.

We look forward to a continued year of commitment and hard work. As the Grade Elevens pace themselves towards their first winter Assessments, we encourage them to plan in advance. A reminder also that reading remains the core essential skill in all learning and that we expect all our pupils to read for a minimum of thirty minutes a day to keep the gremlins at bay. Have wonderful productive term.

Sincerely
