

30 January 2012

Dear Parents,

We are pleased to announce the appointment of Mr GRANT JANSEN as Director of Sport at SAHETI as from 1 February 2012.

Part of our vision has been to incorporate the Department of Sport throughout the whole school to further enhance the development of our children from Pre Primary through to Matric. Mr Jansen will be responsible for co-ordinating and creating vision for the Sports Department for the entire school. He will be working closely with the two Heads of Department (Mr G Gouws - Primary School and Mr L Stylianou – High School) as well as their team of sport educators.

Mr Jansen holds a Bachelor of Arts in Human Movement Studies as well as a Bachelor of Education (University of the Western Cape) and is pursuing a Master of Business Leadership Degree through the University of South Africa.

Mr Jansen comes to us with an impressive track record having had 15 years' experience in the teaching profession at various Primary Schools both in Cape Town and Johannesburg. He was Director of Sport and an executive member of the senior management team at St. Peter's Preparatory School. After his extensive teaching experience, he was offered a partnership in a public relations consultancy. The yearning for teaching and his expertise in sport has called him back into the teaching profession. Mr Jansen comments that he is passionate about sport and the role it plays in developing our children both physically and socially. We look forward to the invigoration he will bring to our school.

Yours sincerely,

MRS A KRYSTALLIDIS
EXECUTIVE HEAD
