SAHETI'S WINNING WEEK

What an amazing week SAHETI has had. As a school we enter numerous festivals and know that the overall intention is to allow our pupils to participate in numerous platforms gleaned from the experience. But when we win we all share and celebrate and feel absolutely wonderfully proud! This has been a **golden** week for all our pupils as we have won **in five** different activities:

- **PRIMARY SCHOOL CHESS: CHAMPIONS of THE GAUTENG SOUTH CHESS ASSOCIATION (Junior)!**

Victor Sporou, Pano Hadjipaschalis, Orvin Spirou, Nico Thomadakis, Markos Komninos, Ioanni Balassis, Luka Zatezalo and Harry Kapacos won the championship for SAHETI! This is the second year in a row that SAHETI Junior Chess team has achieved this in the 33 year history of the League.

- **SACEE (South African Council of English Education) WRITING COMPETITION: DOUBLE WINNERS**

We had two winners in the SACEE national writing competition: Michael Mbaya (Senior Category) and Alexia Barbis (Junior Category) for their evocative essays which both Michael and Alexia read at the prize-giving at St Peter's School.

- **LISOF (London International School of Fashion) : WINNING GROUP**

In June 2009 LISOF invited the 16 year old Art students to take part in their 'Fashion Shoot' Competition. We entered two teams. Last night, amidst a bubble of excitement, the one team (Andrea Nichas, Tereza Bakatselos and Ciara Vos) were awarded winners! They each won a R3000 voucher for SOVIET Clothes and a bursary to attend LISOF.

- **DESIGN AN AD COMPETITION: WINNER**

Andrianna Daras won 1st Prize in the Grade 4-5 age group with her advert for Pick 'n Pay. She must be commended for the excellent concept that she created for the advert. As part of the prizes that Andrianna won for herself, she also won an **iMac Computer** for the school! Angeliki Vidalis and Vera Kostic's adverts were chosen to be printed. In addition, Mrs J Cotton (Primary School) and Mrs M Senekal (High School) were announced winners in the Teachers' Category. They received shopping and other vouchers worth several thousand Rands.

Make sure that you purchase today's copy of THE STAR newspaper to see our winners!

- On a lighter note, we had winners of a different sort as the matrics played soccer against the staff. The matrics won with zest, vuvuzelas and a load of fun! **Score: 2-0!**

Our SAHETI pupils are indeed winners and we thank them for the pride they have fuelled in us all. Congratulations and well done. BRAVO!
