

30 December 2009

Dear Class of 2009

Congratulations on your excellent achievements in the National Senior Certificate Examinations. It is a landmark year with 39 of our pupils writing the new Modern Greek examination and commendable 11 distinctions! For SAHETI the implementation of Greek as a designated subject is a fruition of a long dream. What an excellent start to this journey!

Our SAHETI pupils continue to excel and this year's matric results are a solid measure of this. Our Dux Scholar, Byron Vos achieved the prestigious IEB OUTSTANDING ACHIEVEMENT Certificate for being ranked in the top 5% of IEB learners nationally in 6 or more subjects and having achieved a rating of 7(80% or higher) for Life Orientation. (There were 56 such candidates out of a total of 8056). He was also ranked within the top 1% of learners in English, History, and Mathematics.

In addition Francesca Michael, Evan Fotopoulos and Emily Nicholls achieved the IEB COMMENDABLE ACHIEVEMENT Certificate for being ranked in the top 5% of IEB learners nationally in 5 subjects and having achieved a rating of 7 (80% or higher) for Life Orientation.(There are 48 such candidates in a total of 8056). Further accolades are due to the following for having been ranked within the top 1% of learners nationally: Emily Nicholls (English, Mathematics Paper 3), Mischka Jacobs (English), Francesca Michael (Mathematics Paper 3), Evan Fotopoulos (Mathematics Paper 3) and Gina Kambas (Modern Greek).

The 120 distinctions achieved by our Class of 2009 is a measure of the hard work and determination of the group and bears testimony to the excellent academic standard of our school and the commitment of the teaching staff. As you peruse the SAHETI top achievers on our website I am sure that you will share the pride that we are all feeling. We know that with such a magnificent start, that your journey ahead in your chosen field of study will render even greater success as you join our tradition of SAHETIANS who continue to make meaningful contribution both locally and internationally.

BRAVO!

Sincerely

Mrs Anastasia Krystallidis
Executive Head
