Dear SAHETI Parents,

Classical Greek Theatre encompasses an essential part of education and cultural awareness. It is part of our culture and the children of our school. Education is not only what happens in the classroom but also what happens in the diverse activities we offer.

SAHETI is staging the Greek Production, ILION which forms an essential part of Classical Greek Theatre. We urge each and every family, irrespective of age or grade, to be part of this important production. As an audience, you will each leave with an experience which is different, personal and meaningful. Those ex SAHETIANS who are now proud parents of our school, will recollect the essential ingredient of being part of a SAHETI tradition.

Even though the play is in Greek it is not a prerequisite to understand it. After all, it is with great joy that we notice that Classical Greek Theatre spoken in Greek, an opera sung in Italian, is not always supported by those who understand Italian or Greek. The majesty of the play transcends linguistic barriers.

We look forward seeing you at the performance and know that you will leave feeling totally enmeshed in what we have to offer.

Yours faithfully,

**MRS A KRYSTALLIDIS**  
**EXECUTIVE HEAD**
